

# Ashay Preshaan Pillay

I am a goal driven, challenge seeker who aims to provide effective and efficient solutions to challenges faced. I thrive working in both teams and on individual projects because of my ability to excel in high pressure situations and leveraging of my natural leadership skills. I am looking for new opportunities in the Information Technology and Data Science sectors with a specific focus on Software development.

Experienced Private Tutor and Educator with a demonstrated history of working in the secondary education industry, namely teaching Information Technology and Computer Application Technology. Skilled in Python (Programming Language), C#, Java, JavaScript and many other languages. My abilities include Conflict Resolution, Team Building, and Problem Solving. Strong education professional with a Bachelor of Commerce - BCom focused on Information Technology Management from MANCOSA.
